

9MM PET FELT PANELS

ReFelt provides acoustic PET Felt panels that are made from recycled plastic bottles. It is a soft yet strong and durable material. Offering incredible sound-dampening qualities and aesthetically many possibilities.

Assessment of colour fastness according to EN 15187

Assessed against the grey scale ISO 105-A02

Grey scale class 5 means no discolouration and class 1 defines the highest discolouration
