ARCS PET FELT HANGING DIVIDERS

Screen off visual distractions and improve acoustic comfort with Arcs dividers. These ceiling-suspended room partitions are designed to bring structure to open-plan interiors in a subtle and elegant manner. Thanks to the included mounting fixture, Arcs dividers can be installed at the desired height and combined into various configurations, depending on the needs of your space.

PET FELT

PET Felt is a sustainable and durable material made from recycled plastic bottles. Thanks to its open-cellular structure, PET Felt demonstrates great acoustic properties. PET Felt panels are soft to touch, impact-resistant and easy to process.

COLOURS

Since PET Felt is a recycled material, slight colour deviations may occur between different batches. It is recommended to order the required quantity at once to make sure the panels come from the same batch.
