RADIAL ROUND PET FELT PENDANT LAMP

Radial offers a universal lighting solution for commercial interiors. The design of the Radial lamp was inspired by 3D puzzles. All elements are cut from PET Felt panels and assembled into the unique shape of this lamp. The Radial lamps come with a LED tube. The lamp is available in 28 colours and 4 sizes, just like the Radial PET Felt Pendant Lamp.

PET FELT

PET Felt is a sustainable and durable material made from recycled plastic bottles. Thanks to its open-cellular structure, PET Felt demonstrates great acoustic properties. PET Felt panels are soft to touch, impact-resistant and easy to process.

COLOURS

Slight colour deviations can occur since the PET Felt is made from recycled fibers.
